

Limehurst Primary School
Whole School Overview

Cycle B		Religious Education					
<p>At Limehurst Primary School, we will help all children to develop an understanding of the place that religion plays in people’s lives and how it has influenced history and the growth and development of society. We will use the Oldham Agreed Syllabus (SACRE) and Jigsaw as our scheme of work and we will make meaningful links with the other subjects of the curriculum, such as British values and SMSC. Our aim is to ignite a curiosity to learn about religion that will help children understand about faiths, beliefs and how religion has influenced the development of mankind and the society in which we live.</p> <p>Document downloads - Support services for schools Oldham Council- Where you will find Oldham Syllabus (SACRE) planning.</p>

EYFS	<p>Understanding the world involves guiding children to make sense of their community. The frequency and range of children’s personal experiences increases their knowledge and sense of the world around them – from visiting parks, libraries and museums to meeting important members of society such as police officers, nurses and firefighters. In addition, listening to a broad selection of stories, non-fiction, rhymes and poems will foster their understanding of our culturally, socially, technologically and ecologically diverse world. As well as building important knowledge, this extends their familiarity with words that support understanding across domains.</p> <ul style="list-style-type: none"> • Show interest in different occupations. • Enjoys joining in with family customs and routines. • Knows some of the things which make them unique. • Talk about some of the similarities and differences in relation to friends and family. • Knows about similarities and differences between themselves and others and among families, communities, and traditions.
